		<p>What was going through my mind just before I started to feel this way? What am I afraid might happen? What does this say about me? What is the worst thing that could happen if this is true? What images or memories do I have about this situation?</p>			<p>Acknowledge the feelings as valid, but also any limited thinking patterns. It may help to consider: What would I say to a good friend in the same situation?</p>
